NAMING OPPORTUNITIES AND POLICIES

Naming Policies

Saint Photios Orthodox Theological Seminary will be creating naming opportunities for its facility and programs, and it invites its friends to link their names to the Seminary through these naming opportunities.

1. As God is glorified in His Saints, naming opportunities are to be in honor of a Saint. This can be in honor of or in memory of a loved one.
2. All naming opportunities and recognition thereof are subject to ratification by the Development Committee. Announcement of the award of a naming opportunity will be at the discretion of the Seminary.
3. Naming will be finalized upon fulfillment of the donor's pledge.
4. Names will be permanent, except in the case of a major renovation, relocation, or new construction. The Seminary will continue to recognize the generosity of the donor, but the names will not transfer to the new area or building.
5. All naming opportunities are created and established by the Seminary in recognition of and dependence upon the high moral character of the honoree. In the event that the Board of Directors determines that the actions or conduct of an honoree are contrary to the values of the Seminary, it may at its own discretion remove the honoree's name from the facility or program.
